

13 - Side 8 - Kendra & Lucy (Part 1&2)

Lucy: Hey, I've had an idea! Why don't you go out with that kid Daniel from Church?

Kendra: You mean, while I'm going out with Brett?

Lucy: No. I man instead of Brett.

Kendra: But I'm already going out with Brett.

Lucy: Okay, the thing is, I'm just worried that maybe you're not ready. Brett's the hottest boy in school. You need to work your way up to a "Brett".

Kendra: You ARE jealous!

Lucy: I am not!

Kendra: Lucy, you can go out with anyone you want.

Lucy: That's not the point.

Kendra: No, really, you're not that fat!

Lucy: Look. Brett asked you to the movies for one reason only. He wants to do "the tongue".

Kendra: The tongue?

Lucy: The Tongue! And trust me, you won't like it.

Kendra: But my mother says pretending you like it prepares you for marriage. Come on, lets go!

Lucy: Kendra, let's not fight. You won Brett fair and square - I was wrong, okay? And I miss my best friend.

Kendra: Aw, Lucy, I miss you too.

Lucy & Kendra: HUGS!

Kendra: You're really not mad?

Lucy: Nope! Not mad at you. Not mad at Brett. Not mad a Evan.

Kendra: Why would you be mad at Evan?

Lucy: Well, it was Evan that convinced Brett to dump me and go back to you. You actually owe Evan a big thank-you!

Kendra: Really? What should I do?

Lucy: Let me think. I know! I'll arrange a get-together with you and Evan, so you can thank him!

Kendra: Really? Is that weird?

Lucy: Tell you what: you be at the Dairy Queen at five o'clock. Leave the rest to me.
